

Section Line Bearing Assigned From Deed

o = 1" x 24" IRON PIPE SET
● = 1" IRON PIPE FOUND
--- = VOL. 117 D 47 and 105 D 296

SURVEYOR'S NOTE

There is described a 100 foot wide tract with no depth specified, located on the eastern shore of this tract. The description of that tract has changed. However, I can find no description that correctly describes that tract as it is occupied. A building and an out house occupy a tract staked out as shown below. I have shown in dashed lines below the earliest described tract which would be located almost entirely in the water. The present occupation as staked by persons unknown is shown as an exception to the tract surveyed even though it is not correctly described as occupied. I recommend legal council be consulted in this matter.

SCALE: 1 in. = 200 ft.
